

Active Routes Hagfors

Uddeholm, Råda and Hagfors are very pleased with the growing interest of tourists in this beautiful area. Many of these people are in search for the overpowering nature and the beautiful tranquillity Hagfors commune has to offer. There is no better way to experience this than leave the main roads and search for the most beautiful spots.

To help you finding these spots we have set out many beautiful hiking-, cycling-, canoe, car and motor tours, and for winter time even some cross country skiing tours. Uddeholms Hotel, one of the initiators of the project, setting out these hiking and other tours and exploring this website, is situated along the Råda lake. The hotel is a perfect starting point for many hours of walking, canoeing, cycling and even car tours. In winter the hotel is a perfect base for those who love going out for cross country skiing.

The history of this area goes back to 17th century. Many of the tours lead you not only through the beautiful nature but also passed fascinating industrial heritage. There are many activities to be part of, from participating in a activity to enjoy the pleasure of an open air festival. Please visit the hotel reception, we have all the information to supply you with.

As a perfect end of an active day we invite you to visit the restaurant of Uddeholms Hotell. The extensive a la Carte will guaranty a wide variety of delicious courses. Or enjoy your cool glass of Grolsch beer or your excellent wine on our terrace or in our garden, looking over the beautiful Råda lake. It is a great idea book your sauna in advance, a spacious wood heated sauna with your own beach at Uddeholms Hotel. The perfect way to ease your muscles again.

We hope to see you in Uddeholm,
