

Reasonable priced Sweden, we pay back your fuel

Uddeholm Hotell (info@uddeholmshotel.com) and Hagfors Hotell (info@hagforshotell.com) are looking forward to welcome you as their guest in 2009. For this reason we will pay you back a fuel tank (800 SEK = 80,- Euro) if you stay 7 days or longer in one of our hotels. Price for an adult is only 450 SEK = 45,- Euro (based on two persons, half board in double/twin room), children up to the age of 13 years pay 50%. Did you know that Sweden is cheaper than ever, now that the Swedish crown has devalued compared to the Euro.

Hagfors, the town where both hotels are located, is situated in Värmland, an area which may rejoice itself every year in a growing interest of tourists. Not surprisingly, it's a beautiful open hilly landscape, crossed by the majestic river Klarälven. Take a bike or go hiking to discover Sweden, visit one of the many summer loppis (garage sales) or do a bet at one of the many auctions. Meet a moose or search for the last wolves of Europe. Take a few days canoe trip and camp on your own island.

In Värmland you can do all of this. For the many opportunities for activities that this area has to offer, you can take a look at the website www.activerouteshagfors.com.

Värmland has a pleasant climate, many hours of sunshine in the summer and real winters. In the late spring everything comes to life within a few days as if it has to gain the lost time. Everywhere you see lupines in the most beautiful colours. The many lakes offer ample opportunity for water sports activities. And what about a raft trip on the river Klarälven (Clear River). Catch your own trout and see the beavers building their dams.

Shortly, do not hesitate to discover Värmland. From our side we offer you a fee for fuel to come here.
