

Welcome to Uddeholms Skating

On our website www.uddeholmsskating.com you will find information about several skating arrangements we offer.

The nature ice of Lake Råda is wonderful for the skating enthusiastic, each year the lake is covered for about 3 months with a thick layer of ice. There are many winter activities in the vicinity. In short, all the ingredients for a successful holiday!

We hope to welcome you this winter.

Best regards, med vänliga hälsningar,

Uddeholms Skating
